ALL OVER THE HOUSE.

Information For Young Mothers on Bathing the Baby.

The giving of the baby's bath at the same time every morning has much to do with regularity of sleep. Nothing should be allowed to interfere with it, and great care should be taken in guarding the little ones from drafts and colds. Have the water heated to 80 degrees and dissolve a little borax in it. Dip a soft piece of old linen in it, wash the tongue, gums and roof of the mouth with it. Next wash the head, after which he may be placed in the tub and bathed all over. The task may be completed in five minutes. Very little soap is needed for a baby, and that should be the best that can be obtained. Take him out on a bath towel and dry him quickly and gently. The bath and rubbing will make the skin glow and send the warm blood coursing to the extremities. Then, if the child is weak, sponge the body with alcohol, allowing it to dry on the skin. Dust the parts that seem in danger of chafing with a powder composed of ten parts of talcum powder and one part of boracic acid. This is one of the best infant powders known and if prepared at home is not expensive. It is more convenient to use if put in a box having a perforated top, so it can be dusted out.

Baby should be loosely and warmly clad. Flannel on the whole body is a great preventive of ailments of the digestive organs, but it should be soft and fine, so it will not irri-tate the tender flesh. First there should be a knit woolen band, ribbed

daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn for a few days, to protect it from the shoe. As a general liniment for sprains, bruises, lame ness and rheumatism, Pain Balm is unequaled. For sale by Richard Gibson, druggist.

Save the Children

All stomach and bowel troubles in child or adult are due to a single cause—Indigestion.

Flux, colic, cholera morbus, diarrhoea, dysentery and all complaints of like nature, are the result of undigested foods fermenting in the stomach. The only way to prevent fever and to cure such troubles without injury to the membranes lining the stomach is to restore perfect digestion.

KODOL Digests What You Eat

Kodol is the new discovery which cures all stomach and bowel troubles by removing the cause. This famous remedy checks fermentation, cleanses, purifies and sweetens the stomach. Kodol digests all classes of food and gives to the body all of the nourishment, health and strength it contains.

"Kodol Dyspepsia Cure is just the thing for dyspepsia and stomach troubles.
